POLICY STATEMENT

Please read the following policy statement which we are asked to bring to your attention regularly: "The Catholic Church in Scotland is concerned with the lives, safety, wholeness and well being of each individual person within God's purpose for everyone. It seeks to safeguard the welfare of children and young people who are involved in whatever capacity with the Church and its organisations. As a Church community, we accept that it is the responsibility of all of us, ordained, professed, paid and voluntary members to work together to prevent the physical, sexual, emotional abuse or neglect of children, young people and vulnerable adults."

CHILDREN'S LITURGY

As a consequence of the robust safeguarding procedures which the Church has in place, all volunteers working with children and vulnerable adults must go through an induction process which includes a PVG check. As you may have noticed in last week's bulletin, we are in the process of updating these just now, but they are taking longer than expected. As a

consequence we do not currently have enough volunteers who are suitably checked to be able to run the children's liturgy. For this reason, and only for a short period there **will be no children's liturgy** at the 11.00 am Mass. We acknowledge how valuable the children's liturgy is and we apologise for any inconvenience. We will keep this temporary suspension to a minimum and resume the children's liturgy as soon as possible – hopefully in a few weeks, once the necessary procedures have been completed. Please note that all those who have not already done so should bring their completed PVG forms with the necessary photo ID to Pat Weatherall who will be in the meeting room before and after the 9.00 and 11.00 am Masses.
